# SELF-INFLICTED CELL DISORDER: The real reason 270 million Americans chose to make themselves “SIC”

Have you heard of self-inflicted Sheeple disease? Most likely not, because the CDC, WHO and the medical industrial complex keeps it quiet, like when the Holocaust started. The main difference between the Hitler gas-chamber Holocaust and the Covid Jab Holocaust is that people are voluntarily lining up for the slow fix, rolling up their own sleeve for some self-inflicted cell disorder, and it has really only just begun.

Just after WWII, many of the globalists and elitists who were not Hitler's cohorts, were impressed by the speed at which he was able to rise to power, use genocide to eliminate those who opposed him and propaganda to brainwash everyone else.

## Why do so many Americans voluntarily "walk into the gas chambers" of Big Pharma?

Hitler's main goal was to wipe out anyone who wouldn't support his military takeover of the world, which included killing off anyone and everyone who was handicapped, autistic, mentally challenged, black, Jewish or of senior citizen age. He used very overt ways of murdering these masses, either by two bullets to the back of the head, or the forever "shower" that locked you in a room that filled with pesticide gas. Then he simply burned and buried the

Today, the USA invades other countries (under the guise of maintaining peace and democracy), injects the masses with toxins and gives them pills, toxic food and adulterated water to help kill them slowly (while keeping them as taxpayer slaves as long as possible). Still, this is not happening quick enough for the communist insurgents, a.k.a. the Biden Regime, who now occupies Washington DC and controls the U.S. military. These communists and atheists needed a grim reaper to silently wipe out the middle class, the autistic kids, the senior citizens and anyone else that opposes the autocracy.

The "holy grail" of medicine was the perfect medium, as most of the sheeple of America whole-heartedly, with all of their might, believe that vaccines are for building immunity to diseases, and that we would all surely die before even growing out of childhood if it weren't for those lab-concocted injections.

Vaccines are bioweapons that often destroy the central nervous system, the immune system, the cognitive system, the digestive system and of course, the reproductive system. This is the most viable means of depopulation, especially with the new technology of mRNA, which tricks human cells into producing billions of blood clogging prions, forever. This cell disorder is not unlike cancer, and is actually a catapult of cancer, also known as turbo cancer. Don't look any further than the Big Pharma cartel of Pfizer/BioNTech, Moderna, AstroZeneca and Merck. Plus, the U.S. regulatory agencies are "all in" for the vaccine holocaust.

Imagine a vaccine that is "so safe" and "so effective" that you have to be threatened to take it, and for a disease "so deadly" that you have to be tested to know if you even have it. It's the ultimate con and coercion, and 270 million Americans agreed to take a death trip in the name of trusting the most corrupt cartel of eugenicists to ever walk the Earth. Big Pharma is a conglomerate of deadly vaccine manufacturers and venom-laced pharmaceutical prescriptions that cause side effects so extreme that you literally must be mentally challenged to agree to take them.

# Self-inflicted cell disorder (SIC) is also known as spike protein syndrome

Self-inflicted cell disorder (SIC), also known as spike protein syndrome, is sweeping the nation and the world. Like no other time in history, chronic inflammation, vascular clots, heart attacks and spontaneous miscarriages are happening everywhere. Doctors do not DARE to point the finger at the deadly clot shots or the venomous pills.

Five out of every six Americans has chosen to make themselves "SIC" to the point of no return. When will their body stop creating the spike prions that catapult deadly disorders and early death, especially if they keep getting more mRNA gene-mutating injections? The Holocaust is happening, and if you can't see it, it may be because you suffering yourself from self-inflicted cell disorder.

It is amazing how many writers follow the Zionist narrative of WWII. The Jewish Almanac stated that there were 15.5 million Jews in the world in 1940. Take away six million Jews and the same Almanac stated there were 15.2 million Jews in 1945. Yes, 2+ 2 does equal
